Play-in Games, Seeding, Byes, and Brackets Explained...

- All seeding is based on the [LaxPower Computer Rating](#) as of Tuesday, noon, PDT, May 14, 2013
- Each league is ranked 1 through 8 based on the sum of the LaxPower ratings of the top 4 teams in each league (regardless of how the teams finished in their league standings). The ranking is determined by sum of the ratings for the four teams within a league (e.g., #3 Jesuit, #4 Southridge, #5 Beaverton, and #6 Sunset has a league sum rating of 18 (3+4+5+6)). The league sum rating is compared to other league rating sums to determine the league rank. The league with the lowest league sum rating is ranked #1; the league with the highest league sum rating is ranked #8. **May 14th - Division Rankings are as follows:**

Rank	Division	Rating Sum
1	Metro	19
2	Three Rivers	30
3	Columbia	47
4	MidWestern	75
5	NorthWest	94
6	High Desert	103
7	Pacific	104
8	North Valley	127

- The 3rd and 4th place teams each participate in a "play-in" round, the game match-ups are determined by the league ranking (as determined by the SOPs of individual divisions), all 4th place teams will travel to play at 3rd place teams. **May 14th: Play-in game teams are now assigned:**

#2 League 3rd place (home) vs #7 League 4th place (away)

- After the "play-in" round, all remaining teams are seeded 1-24 based on the [LaxPower Computer Rating](#) as of noon, May 14, 2013 and the *First Round Bracket* is created: Teams seeded 1 through 8 are awarded a first round Bye. Teams 9 through 24 will play first round games based on their seeding: #9 plays #24, #10 plays #23, and so on to #16 plays #17.
- Throughout the bracket, the lower seed team will always be the visitor, so in the *Quarter Final Round* the higher seeded team will host the game. The *Semi-Final* and *Final* will be played at Tigard High School. Also note that for clarification purposes the number of a *Quarter Final Game* corresponds to the highest seed for that quarter of the bracket.
- As shown in the bracket below, there will be 20 games to determine the Final Four. For the *Semi-Final Round* the winner of the #1 seed bracket *Quarter Final #1* (game #17) will play the winner of the #4 seed bracket *Quarter Final #4* (game #18) and *Quarter Final #2* (game #19) will play the winner of *Quarter Final #3* (game #20).
