

Oregon High School Lacrosse Association (Revised February 16, 2016)

The OHSLA operates under the guidelines/rules of the OSAA and the NFHS current rule book, unless otherwise noted below. OSAA guidelines can be found at their web site OSAA.org.

- 1. Coach/Player/Parent Certifications, including concussion awareness training, are mandated by OHSLA/OSAA and Oregon state law.** Details of these certifications can be found on OHSLA web site under the Info/OHSLA/Forms & Documents menu (<http://www.ohsla.net/forms.asp>). Failure to complete all required certifications will prevent teams from scheduling any games. A signed letter of certification completion for each team, must be on file with OHSLA prior to first official practice date or as noted on OHSLA calendar. Form can be found on OHSLA web site (<http://www.ohsla.net/forms.asp>). It is the responsibility of the head coach/team to maintain the completed certification documents on file in an electronic format that allows easy retrieval. These documents must be kept on file at the team location for a period of two calendar years.
- 2. Insurance:** Each team is required to secure general liability coverage in the minimum amount of \$2,000,000 prior to the start of the first practice date or as noted on OHSLA calendar. See OHSLA web site (<http://www.ohsla.net/forms.asp#Insurance>) for sources of affordable insurance carriers.
- 3. Failure to complete certifications and obtain insurance will result in scheduled games being cancelled.**
- 4. Academic Eligibility for players:** must meet the minimum standards as set by the high school and/or its athletic department.
- 5. Where students can play:** A student must reside within the current established school attendance boundaries. Exceptions: authorized “open district transfers” which are approved by the Athletic Directors and administrators of the schools involved – hardship transfers also need to be approved by district administrators & AD’s. Please contact your school Athletic Director for further clarification.
- 6. Games & Opponents:** OHSLA teams must conform to first practice & play dates noted on the OHSLA calendar. Play against non OHSLA/out of state teams must first be approved by OHSLA commissioner. (See the Forms and Documents page on OHSLA web site <http://www.ohsla.net/forms.asp#OOSWaiver>). Games may be scheduled Monday – Saturday.
- 7. JV games:** all JV/JV2/JV3 games will be played under running clock rules with quarters not exceeding 15 minutes. Penalty time will be NFHS penalty time for violation plus 50% (example: 1 minute penalty plus 50% -- 30 seconds or 1:30 seconds). Penalty time will start at the restart of

Cancellations due to inclement weather: Prior to the game, the home team shall contact the Commissioner & Appropriate Assistant Commissioner and the visiting team head coach of the game being cancelled.

10. **Interrupted Games:** Once a game has started, all efforts to complete the game should be taken, but safety is the priority. If the game cannot be continued the following options take effect:
 - a) The game can be replayed another day from the point of interruption only.
 - b) If either team is ahead by 12 or more goals at the time of interruption, then that game score will be accepted and entered in to the Game Scoring Reporting system, as a completed game.
 - c) Non-playoff games: if the interruption occurs during the first half of the game and the coaches agree that to reschedule is impractical, the result will be considered a non-game. Home team will be billed for the cost of the officials.
 - d) Non-playoff games: If the interruption occurs during the second half of the game with the game tied, and is agreed to by coaches not to reschedule the game, this would be considered a non-game.
