The Oregon Lacrosse Officials Association is the training and certifying body for boys lacrosse in the state of Oregon. In addition to our work with the OHSLA, the OLOA arranges for certified officials to work with organizations conducting lacrosse games and tournaments. OLOA members provide officiating services as independent contractors to leagues, clubs and other entities. Payment to officials is the responsibility of organization contracting for officiating services.

The table below outlines the standard fees for high school and youth games of varied lengths.

Game Length	Fee per Official
40min running time	\$47
50min running time	\$52
60min running time	\$57
32min stop time	\$52
40min stop time	\$62
48min stop time	\$77

Pay for assigning games will be as follows. 1 to 20 games will be assigned for free. 20 to 100 games assigner will receive \$2.00 per game. 100 to 200 games assigner will receive \$3.00 per game and 200 games and above will be negotiated by assigner.

The weather during our northwest winters presents a challenge in ensuring sufficient officials for tournaments. To aid in this, an additional 10% surcharge should be added to the fees above. For events in areas without sufficient local officials to staff, please plan for travel expenses, including lodging for multi-day events.

Fees for mens collegiate and post-collegiate club games are not listed above.
