Please continue to keep updated as your availability opens or if you must block a day(s) due to professional/work, injury or family reasons.

Uniforms/Gear Check-Up Time!

- Rookies and Veterans alike should verify that your uniforms and gear are ready for the season!
Simple checklist below:
Whistle(s), Flags, Timers, Game Card in good working order. (back-ups are a smart way to go)
Uniform Tops: Long Sleeve and Short Sleeve 1" Stripes: Cleaned and Ready
Black Shorts & Pants (with black belt): Cleaned and Ready

- Under Garments: Keep yourself dry and comfortable; Compression shorts and shirts are a great idea to keep body heat during cold/wet nights; consider weather resistant black gloves!
- Black/Pinstripe Hat(s): Cleaned and Ready
- Black Socks (1/4 High): Always have a second pair in your bag; dry socks at halftime are a life saver!
- Black OLOA Jacket: Cleaned and Ready; Don't have the jacket, contact your game assignors now (Don Huber-PDX, Tom Hoffert-Willamette Valley; and Tom Johnson-High Desert) to start the process to get the required jacket
- Black Shoes (no white soles): Cleaned and Ready (back-ups are a smart way to go)

Don't wait to the night before your first game to get your things together!
