

NILOA Quiz #2 2024

- 1) On a faceoff there is zero tolerance for a player not positioned properly for a faceoff after the command of “down” from the faceoff official.
 - a. True
 - b. False

- 2) Which of these faceoff violations will result in an Unsportsmanlike Conduct penalty being assessed against a faceoff player.
 - a. A player moves before the sounding of the whistle to start play.
 - b. A player pins down the crosse of the opponent.
 - c. Any 3rd or subsequent violation by the same team in one half.
 - d. A player grabs the ball or an opponent’s crosse with the open hand or fingers.

- 3) For any player taking a faceoff, which of the following is a false statement?
 - a. A sticky substance or product may be used to allow a better grip for the player.
 - b. Any tape on the shaft must be the same color as the head of the crosse.
 - c. A single wrap of tape or paint, of contrasting color, must be on the top 6” of the shaft, up to the head.
 - d. Both a. and b.

- 4) Assume player B1 is in pursuit of a clearing player from Team A in transition and the other riding attack players B2 and B3 are still onside. In which of the following is player B1 Offside?
 - a. Team B momentarily has fewer than the required numbers of players on either end of the field, while players are exiting and entering the field through the substitution area.
 - b. Player B1 is chasing player A1 towards the center line, cannot stop in time and jumps out of bounds without touching the field of play across the midline. B1 quickly returns, from out of bounds, to the proper half of the field.
 - c. Team B has not more than 10 players on the field and more than 6 players in the offensive half of the field.
 - d. Player B1 exits the field through the substitution area on his side of midfield and reenters the field from the substitution box a few seconds later.

- 5) When play is stopped for an injury. The shot clock will be handled as follows:
 - a. For stoppage of play for an injured offensive player the shot clock continues from the point of stoppage.
 - b. For stoppage of play for an injured defensive player the shot clock will reset to 60 seconds if the shot clock was below 60 seconds at the point of stoppage or reset to 80 seconds if the shot clock was above 60 seconds at the time of stoppage.
 - c. The shot clock is immediately reset to 60 seconds and continues to run even though neither team has gained possession.
 - d. Both a. and b.

- 6) Player A1, in possession of the ball, dives, or jumps and while in the air, is illegally body checked (personal foul) by B1 into the goal mouth. The ball enters the goal prior to any contact with the crease area by player A1. The correct Ruling is?
- The goal does not count, as player A1 entered the goal mouth as part of the play.
 - The goal does not count, as the momentum of the play carried player A1 into the crease area.
 - The goal does not count. Player A1 cannot enter the crease area or goal mouth at any time or for any reason. Player B1 serves penalty time regardless of the length of time.
 - The goal counts, as player B1 illegally checked A1 on the play.
- 7) Illegal body checking includes which of the following?
- Initiating contact with an opponent who has any part of their body other than their feet on the ground.
 - Body checking of an opponent who is not in possession of the ball or within 5 yards of a loose ball.
 - Initiating contact of an opponent at or below the waist.
 - All the above.
- 8) During the game an official inspects the equipment of player A1 and finds the pocket depth of the crosse is too deep. The penalty for this shall be?
- A one-minute foul and the crosse is removed from the game.
 - A one-minute foul. The pocket may be readjusted and the crosse may be allowed back in the game.
 - A three-minute foul and the crosse is removed from the game.
 - A three-minute foul. The crosse may be readjusted and allowed back in the game.
- 9) Player B1 has possession of the ball in the defensive end of the field and starts to attempt to clear the ball. Attack player A1, while in pursuit of B1, runs through the goal crease. The correct call is:
- Stop play and award a free clear.
 - Flag down, personal foul on A1 and play continues.
 - No fouls have occurred at this point. Allow play to continue because player A1 was more than 5 yards from player B1.
 - Flag down, technical foul on A1, and play continues.
- 10) B1 is serving a one-minute penalty. After 30 seconds B1 is released by the timekeeper or returns to play without being released. During the ensuing play, Team B scores. Before the start of the ensuing faceoff, Team A protests. The correct ruling is?
- The goal counts as this play is not a correctable error.
 - The goal does not count. Player B1 must return to the penalty area and serve another one-minute nonreleasable foul on top of the remaining 30 seconds.
 - The goal does not count. The error is correctable as it was brought to the attention of officials before the second live ball or the start of the ensuing faceoff.
 - None of the above.
